AT GLENELG COUNTRY SCHOOL

MISSION

Glenelg Country School cultivates a community that stimulates our students to realize their highest potential. Outstanding academic and enrichment opportunities nurture a passion for lifelong learning, personal integrity, and respect for others. By embracing diversity of background, culture and thought, our students are prepared to become responsible and contributing members of our global society.

ABOUT GLENELG

Glenelg Country School is a co-educational, college preparatory school for students 2 years old through grade 12. Since its founding in 1954, Glenelg Country School has provided a learning environment which fosters academic skills, intellectual development, sportsmanship, global awareness, personal integrity and

growth. Excellent teachers, a nurturing environment, individual attention, and small classes have long been hallmarks of the school. The same philosophy and practices that have made Glenelg Country School a respected and successful academic institution distinguish the summer programs.

ACCREDITATION

Glenelg Country School is accredited by the Association of Independent Maryland Schools (AIMS) and by the Middle States Association of Schools and Colleges (MSA).

The School is affiliated with the Association of Independent Maryland Schools (AIMS), the National Association of Independent Schools (NAIS) and the Educational Records Bureau (ERB).

WELCOME TO SUMMER IN THE COUNTRY

JUNE 21-JULY 30, 2021

GENERAL INFORMATION

Glenelg Country School has been offering quality summer programs for over 30 years. Located in central Howard County and situated on an idyllic 90-acre wooded campus, our Summer Programs provide children entering Pre-Kindergarten through grade 12 with a fun and educational experience in a relaxed and safe environment. Our camps offer a variety of activities and make use of our outdoor swimming pool, tennis courts, playing fields, shaded pathways, air conditioned classrooms, computer labs, athletic center and pond for scientific study.

DRAGON DAY CAMPS

Day camps are filled with a variety of indoor and outdoor activities including science and nature exploration, arts and crafts, swimming, music, physical education activities, and so much more.

COUNSELOR-IN-TRAINING

Counselor in-Training offers opportunities for campers to work on leadership skills during the summer, by participating in hands-on activities, team-building, communication and problem solving.

ADVENTURE CAMPS

Adventure camps include daytime off-campus travel with exhilarating, exploratory activities.

SPECIALTY CAMPS

These camps offer academic enrichment in language arts, science, or math, or an emphasis in visual arts, foreign languages, music, drama, and a variety of other themes.

SPORT CAMPS

Sport camps provide an opportunity to have fun while working on athletic skills, technique, strategy, game experience, and sportsmanship.

Our Summer Programs are staffed by members of the Glenelg Country School faculty, supplemented by other qualified professionals, and assisted by junior counselors; all staff members undergo a criminal background check. The success of our camp programs is greatly facilitated by a camper-to-staff ratio of less than 10 to 1.

REGISTRATION

Register online at glenelg.org/summer. Camps are offered in two-week sessions for Summer 2021. Registrations are processed on a first come, first served basis. Camps have limited space. You are able to register for a waitlist if a camp is full. The camp office will contact you if a space becomes available. You are able to register online for a waitlist if a camp is full. If a space becomes available, the camp office will contact you. **Wait lists are not guarantees for enrollment during that camp session.** Please plan to enroll in an alternative camp if you would like your child to attend during the session you are waitlisted.

EARLY REGISTRATION

(Register before May 1)

Register and pay \$75 non-refundable deposit. Balance will be automatically charged to your credit card on May 31.

LATE REGISTRATION

(Register after May 1)

Register and pay in full. If there is space available and you wish to register or add a camp after May 1, this must be completed online with a full payment by 4 pm on Wednesday before the camp begins.

Note: All camps are closed Monday, July 5 for Independence Day. There will be a prorated charge for camps that week.

All camp registrations should be finalized before May 31.

New Families: Please complete the Household Information section first. Make sure to complete all required fields including information for all parents/guardians, your child(ren), at least one emergency contact in addition

to parents, and who is authorized to pick up your child. Following completion of the Household Information, return to the homepage and complete the Camp Registration.

Returning Families: Please review the Household Information section and make any necessary changes. After updating, return to the homepage and complete the Camp Registration. If you are having trouble completing the registration form, please go back to your Household Information and make sure all the information is completed.

CHANGES TO REGISTRATION

- Contact the camp office for general camper or health information changes.
- All camp registration should be finalized before May 31.
- **Adding a camp or service must be completed online with full payment by 4 pm on Wednesday the week before the camp begins. Switching camps must be done by emailing summerprograms@glenelg.org by 4 pm on the Wednesday the week before camp begins. If you make a change to your camp schedule on or after May 31, you will be charged a \$25 fee per camper per request.**

COVID-19 related closures and refunds:

- If Glenelg Country School Summer in the Country is required to close a camp due to COVID-19, tuition will be pro-rated for the period of the closure. Refunds will be issued after August 1.
- If the Health Department requires your child or family to quarantine during a camp session, the camp tuition will be pro-rated for the period of the required quarantine.

Documentation must be provided to the camp to receive any camp tuition refunds. Refunds will be issued after August 1.

- Due to COVID-19 restrictions and safety procedures, campers will not be allowed to switch camps after a camp session has started. No exceptions.
- Camps are offered in two-week sessions only.
- No prorated camp tuition will be offered for voluntary partial attendance in a camp session. For example, if you choose to quarantine, delay testing for precaution, keep your child home while camp is open, or decide to vacation during the session, no prorated will be issued.

No refunds for camps canceled on or after May 31.

- Glenelg Country School reserves the right to dismiss, without a refund, any camper or student for inappropriate or unsafe conduct, or for non-compliance with Glenelg Country School Summer Programs policies or procedures.

COVID-19 POLICIES AND PROCEDURES

The COVID-19 pandemic requires additional safety measures on the part of Glenelg Country School and its families to keep our campus safe. There are many precautions that have been put in place to protect our campers and staff. The best way to keep our campus and community safe is to engage in safe behaviors on and off-campus. We will be implementing more stringent oversight and more vigorous implementation of Health Services policies, particularly concerning managing illness on campus. A tremendous amount of research, time, and thought has gone into our guidelines—including guidance from the CDC

and other health authorities. This pandemic is an evolving situation, and we will continue to update our guidelines and share them with the GCS Summer in the Country community as quickly as possible as more information becomes available.

Please refer to the full document on our website at www.glenelg.org/summer for complete and up-to-date summer program COVID-19 protocols and procedures.

DISCLAIMER

COVID-19 is extremely contagious and is believed to spread by person-to-person contact; and, as a result, federal and state health agencies recommend social distancing and various other measures to mitigate the risk of contracting the virus. Summer in the Country will be implementing reasonable preventative protocols, safety policies, and procedures designed to reduce the spread of COVID-19 for the 2021 camp season. Summer in the Country will update and implement these safety protocols and procedures in response to new information. Despite the protocols and procedures in place to mitigate the transmission of COVID-19 on campus, there are inherent risks associated with participating in summer camp programs and activities on Glenelg Country School's campus. Those who participate in summer camp programs and activities on Glenelg Country School's campus acknowledge and voluntarily assume these risks.

MISCELLANEOUS

The School reserves the right not to continue enrollment or to deny enrollment of a camper if the School reasonably concludes that the actions of a parent or guardian make a positive and constructive relationship impossible or otherwise seriously interferes with the School's accomplishment of its purposes. Glenelg Country School believes that a positive and constructive working relationship between the School and a camper's parents or guardians is essential to the fulfillment of the School's mission. The Head of School, in his/her sole and absolute discretion, may dismiss or deny enrollment of a camper for any reason he deems appropriate.

RELEASE OF LIABILITY

As a condition of enrollment in the Glenelg Country School summer programs, the parent(s) or legal guardian hereby agree(s) to release and discharge the School, its trustees, employees and agents, from and against any and all claims, actions, liability and expense, including attorneys' fees and court costs, in connection with personal injury and/or damage to property arising from or out of the camper's attendance or enrollment in, or out of the camper's participation in activities at or sponsored by the School unless such injury and/or damage is occasioned by the gross negligence of the School.

PARENT CAMP GUIDE

Registration and refund information (continued).

HEALTH AND MEDICAL INFORMATION

- The Camp Health Office is located in the Manor House.
- Complete online health and medical information for each camper.
- Submit Immunization Records and Medication Authorization Form as needed. The Maryland Department of Health and Mental Hygiene Immunization Certificate, MDH Form 896, is required (in English) for campers entering Pre-Kindergarten or Kindergarten, or who reside outside the United States. Immunization documentation is a state requirement. Campers must have all required immunizations for their age, unless they have a medical or religious immunization exemption. For those who have a medical or religious exemption from immunization, this form still needs to be completed; specifically the bottom portion of the form needs to be signed stating there is either a medical or religious exemption.
- If medication is needed at camp, please fill out and return the Medication Administration Authorization Form (completed by physician) or the Emergency Allergy Action Plan for those who require epinephrine (Epi-Pen). Medication can be dropped off to the Camp Health Office in the Manor House by appointment. Please call 410-531-8603 to schedule.
- A physician's order must accompany ALL medication to be administered at camp. The medication must be brought to camp:
 1. in the labeled original container;
 2. by a parent;
 3. checked by the camp nurse;
 4. by the first day the camper attends

CAMP BEHAVIOR EXPECTATIONS

Glenelg Country School camps foster respect for oneself, for others, and for property. It is expected that all campers are respectful, considerate, and polite to adults and one another at all times, including during bus travel. Our goal is to create a safe and fun-filled experience for all campers. Disciplinary procedures are based upon these steps:

1. The child is gently reminded of camp expectations.
2. The child is separated from the problem situation.
3. The camp counselor will discuss consequences of further behavior, i.e., sitting out of an activity, with the child.
4. Repeated misbehavior will be handled by the camp director and/or a conversation with the parents.
5. Parent, child, and staff agree to a plan that will improve the child's behavior or the child may face the possibility of dismissal from camp or bus service.
6. Behavior which is deemed serious or endangers others could result in the parents being called immediately to remove the child from camp.

INCLEMENT WEATHER CLOSINGS

Glenelg Country School will post decisions about cancellations and late openings due to inclement weather on www.glenelg.org. If possible, GCS will send an email to the registered email address on file. In the event we should close camp prior to the normal dismissal time, we will post this information on www.glenelg.org and, if possible, send an email to the contacts provided. Parents who are concerned about conditions are free to pick up their child at any time.

PARENT CAMP GUIDE

How to prepare your child for the first day of camp.

The **what, how, when,** and **where** of attending camp at Glenelg Country School.

WHAT SHOULD MY CHILD WEAR AND BRING?

The dress for the camp day is casual. A camp t-shirt will be distributed to each camper. Each group of campers is assigned a t-shirt color to help with easy identification to be worn at the camper's discretion. We suggest shorts, a t-shirt, and sneakers (not open-toed shoes, flip-flops, or clogs).

All campers and staff are required to wear a disposable surgical face mask or cloth face covering at all times when on campus except when eating or drinking. Campers who nap (Pre-K) are not required to wear a covering or mask during nap times.

Please bring:

- Bathing suit, towel, and pool shoes (for walking to and from the pool).
- Water bottle clearly labeled with child's name.
- Sunscreen clearly labeled with child's name, if needed (Must have permission to reapply at camp—see Registration). Please apply before coming to camp.
- Backpack to transport swimming items and projects.
- Change of clothes in a plastic bag labeled with child's name to keep at camp for emergencies (Pre-K-Grade 1 only).
- Extra face coverings/masks (labeled with camper's name).

Please Label All Items! A Lost and Found bin will be located in the lobby of each building and at the pool.

Please review our Medication Policy to see if you need to submit either the [Emergency Action Plan](#) or [Medication Administration Authorization Form](#). Medication will not be administered to a camper without a doctor's written order and parent signature. This includes prescription as well as prescribed over-the-counter medications. It is helpful to bring the medication and form to camp prior to your child's first day. Please call the Camp Office if you have any questions.

DOES MY CHILD NEED TO BRING A LUNCH OR SNACKS?

- Please send a lunch with your child. GCS is not a peanut-free environment. Lunches will not be refrigerated, and microwaves are not available, so please pack your camper's lunch accordingly.
- Each day campers will receive a peanut-free snack and drink provided by the camp. If your child chooses, they may bring an alternative snack from home.

IS THERE BUS SERVICE?

Due to COVID-19 protocols and procedures, Bus Service will not be offered for Summer in the Country at this time.

WHAT TIME DO I DROP OFF AND PICK UP MY CHILD?

Drop Off: From 8:40–9 am. Campers should not arrive before 8:40 am.

Pick Up: From 3:30–3:45 pm. If you arrive after 3:45 pm, a \$25 fee will be charged. **If you are late more than once over the course of the summer, your child may be suspended or dismissed from the program.**

Pick Up for Half-Day Program: Dismissal is at 1:30 pm. If you arrive after 1:45 pm, a \$25 fee will be charged. **If you are late more than once over the course of the summer, your child may be suspended or dismissed from the program.**

Extended Day: Due to COVID-19 protocols and procedures and for the safety of the campers, Extended Day (Before and After Care) will not be offered at this time.

PARENT CAMP GUIDE *continued*

WHERE DO I DROP OFF AND PICK UP MY CHILD?

For camp drop off and pick up, please stay in your car. Our staff will open the door and assist your camper. Cars should line up around the circular driveway in front of the designated building. Pull up as far as possible to allow for others to pick up or drop off. Proceed on driveway using caution and patience as you merge into traffic as others pick up or drop off campers from various designations.

Please do not pass in the pick up or drop off line. Refrain from using cell phones while driving on campus.

WHAT ARE THE POOL PROCEDURES?

Certified lifeguards and camp staff are on duty during the recreational swim portion of your child's day.

COVID-19 POOL PROTOCOLS AND PROCEDURES

The GCS pool is permitted by the Maryland Department of Health and will open with guidance from the Maryland Department of Health and follow any COVID-19 protocols and procedures mandated by the Health Department. If the Maryland Department of Health requires a closure of the pool due to COVID-19, GCS will comply, and camper swim times will be canceled until it is deemed safe to re-open. No refund or prorate will be issued due to any pool closures. At this time, campers will be required to wear face coverings when not in the pool. Please refer to the full document provided on our website www.glenelg.org/ summer for complete and up to date COVID-19 protocols and procedures for Summer in the Country 2021.

Pre-K-Grade 1 Campers:

- Swim in the 1-3 foot area of the pool
- Optional swim test

Your child may be tested to swim in the 3-5 foot area of the pool. In order to swim in the 3-5 foot area, a child must be able to swim the width of the pool without stopping. (If during the swim test your child seems to struggle or have difficulty, the lifeguard will require your child to remain in an area that is safe.)

Grades 2-12 Campers:

Your child will be tested at the beginning of the session. The pool staff will determine your camper's ability and award them with a colored bracelet which designates where they are allowed to swim. **Please encourage your camper to wear this bracelet for the duration of the camp.** Campers will not be able to swim in the deeper sections of the pool without proper identification. In order to swim in the 3-5 foot area, a child must be able to swim the width of the pool without stopping. In order to swim in the 5-9 foot area, campers must be able to swim the length of the pool without assistance and without stopping, and be able to tread water for 1 minute. If during the swim test your child seems to struggle or have difficulty, the lifeguard will require your child to remain in an area that is safe.
