COVID-19 POLICIES AND PROCEDURES

The COVID-19 pandemic requires additional safety measures on the part of Glenelg Country School and its families to keep our campus safe. There are many precautions that have been put in place to protect our campers and staff. The best way to keep our campus and community safe is to engage in safe behaviors on and off-campus. We will be implementing more stringent oversight and more vigorous implementation of Health Services policies, particularly concerning managing illness on campus. A tremendous amount of research, time, and thought has gone into our guidelines—including guidance from the CDC and other health authorities. This pandemic is an evolving situation, and we will continue to update our guidelines and share them with the GCS Summer in the Country community as quickly as possible as more information becomes available.

Please refer to the full document on our website at www.glenelg.org/summer for complete and up-to-date summer program COVID-19 protocols and procedures.

DISCLAIMER

COVID-19 is extremely contagious and is believed to spread by person-to-person contact; and, as a result, federal and state health agencies recommend social distancing and various other measures to mitigate the risk of contracting the virus. Summer in the Country will be implementing reasonable preventative protocols, safety policies, and procedures designed to reduce the spread of COVID-19 for the 2022 camp season. Summer in the Country will update and implement these safety protocols and procedures in response to new information. Despite

the protocols and procedures in place to mitigate the transmission of COVID-19 on campus, there are inherent risks associated with participating in summer camp programs and activities on Glenelg Country School's campus. Those who participate in summer camp programs and activities on Glenelg Country School's campus acknowledge and voluntarily assume these risks.

MISCELLANEOUS

The School reserves the right not to continue enrollment or to deny enrollment of a camper if the School reasonably concludes that the actions of a parent or guardian make a positive and constructive relationship impossible or otherwise seriously interferes with the School's accomplishment of its purposes. Glenelg Country School believes that a positive and constructive working relationship between the School and a camper's parents or guardians is essential to the fulfillment of the School's mission. The Head of School, in his/her sole and absolute discretion, may dismiss or deny enrollment of a camper for any reason he deems appropriate.

RELEASE OF LIABILITY

As a condition of enrollment in the Glenelg Country School summer programs, the parent(s) or legal guardian hereby agree(s) to release and discharge the School, its trustees, employees and agents, from and against any and all claims, actions, liability and expense, including attorneys' fees and court costs, in connection with personal injury and/or damage to property arising from or out of the camper's attendance or enrollment in, or out of the camper's participation in activities at or sponsored by the School unless such injury and/or damage is occasioned by the gross negligence of the School.

HEALTH AND MEDICAL INFORMATION

- The Camp Health Office is located in the Manor House.
- Complete online health and medical information for each camper.
- Submit Immunization Records and Medication Authorization Form as needed. The Maryland Department of Health and Mental Hygiene Immunization Certificate, MDH Form 896, is required (in English) for campers entering Pre-Kindergarten or Kindergarten, or who reside outside the United States. Immunization documentation is a state requirement. Campers must have all required immunizations for their age, unless they have a medical or religious immunization exemption. For those who have a medical or religious exemption from immunization, this form still needs to be completed; specifically the bottom portion of the form needs to be signed stating there is either a medical or religious exemption.
- If medication is needed at camp, please fill out and return the Medication Administration Authorization Form (completed by physician) or the Emergency Allergy Action Plan for those who require epinephrine (Epi-Pen). Medication can be dropped off to the Camp Health Office in the Manor House by appointment. Please call 410-531-8603 to schedule.
- A physician's order must accompany ALL medication to be administered at camp. The medication must be brought to camp:
 1. in the labeled original container;
 2. by a parent;
 3. checked by the camp nurse;
 4. by the first day the camper attends

CAMP BEHAVIOR EXPECTATIONS

Glenelg Country School camps foster respect for oneself, for others, and for property. It is expected that all campers are respectful, considerate, and polite to adults and one another at all times, including during bus travel. Our goal is to create a safe and fun-filled experience for all campers. Disciplinary procedures are based upon these steps:

1. The child is gently reminded of camp expectations.
2. The child is separated from the problem situation.
3. The camp counselor will discuss consequences of further behavior, i.e., sitting out of an activity, with the child.
4. Repeated misbehavior will be handled by the camp director and/or a conversation with the parents.
5. Parent, child, and staff agree to a plan that will improve the child's behavior or the child may face the possibility of dismissal from camp or bus service.
6. Behavior which is deemed serious or endangers others could result in the parents being called immediately to remove the child from camp.

INCLEMENT WEATHER CLOSINGS

Glenelg Country School will post decisions about cancellations and late openings due to inclement weather on www.glenelg.org. If possible, GCS will send an email to the registered email address on file. In the event we should close camp prior to the normal dismissal time, we will post this information on www.glenelg.org and, if possible, send an email to the contacts provided. Parents who are concerned about conditions are free to pick up their child at any time.

PARENT CAMP GUIDE

The **what, how, when,** and **where** of attending camp at Glenelg Country School.

WHAT SHOULD MY CHILD WEAR AND BRING?

The dress for the camp day is casual. A camp t-shirt will be distributed to each camper. Each group of campers is assigned a t-shirt color to help with easy identification to be worn at the camper's discretion. We suggest shorts, a t-shirt, and sneakers (not open-toed shoes, flip-flops, or clogs).

Please bring:

- Bathing suit, towel, and pool shoes (for walking to and from the pool).
- Water bottle clearly labeled with child's name.
- Sunscreen clearly labeled with child's name, if needed (Must have permission to reapply at camp—see Registration). Please apply before coming to camp.
- Backpack to transport swimming items and projects.
- Change of clothes in a plastic bag labeled with child's name to keep at camp for emergencies (Pre-K-Grade 1 only).
- Extra face coverings/masks (labeled with camper's name) as needed per COVID-19 policy.

Please Label All Items! A Lost and Found bin will be located in the lobby of each building and at the pool.

Please review our Medication Policy to see if you need to submit either the [Emergency Action Plan](#) or [Medication Administration Authorization Form](#). Medication will not be administered to a camper without a doctor's written order and parent signature. This includes prescription as well as prescribed over-the-counter medications. It is helpful to bring the medication and form to camp prior to your child's first day. Please call the Camp Office if you have any questions.

DOES MY CHILD NEED TO BRING A LUNCH OR SNACKS?

- Please send a lunch with your child. GCS is not a peanut-free environment. Lunches will not be refrigerated, and microwaves are not available, so please pack your camper's lunch accordingly.
- Each day campers will receive a peanut-free snack and drink provided by the camp. If your child chooses, they may bring an alternative snack from home.

IS THERE BUS SERVICE?

Bus service will not be offered at this time. Camp families will be notified if this changes.

WHAT TIME DO I DROP OFF AND PICK UP MY CHILD?

Drop Off: Between 8:40 am and 9 am. Campers should not arrive before 8:40 am unless they are enrolled in Before Care Extended Day. If your camper arrives before 8:40 am and is not enrolled in Before Care, a \$25 fee will be charged.

Pick Up: Between 3:30pm and 3:45pm. If you arrive after 3:45 pm and your camper is not registered in After Care, a \$25 fee will be charged.

Pick Up for Half-Day Program: Dismissal is at 1:30 pm. If you arrive after 1:45 pm, a \$25 fee will be charged.

If you are late or arrive early more than once over the course of the summer, your child will be automatically enrolled for Extended Day for the entire week and you will be charged all applicable fees.

Extended Day: All campers must be preregistered to attend Extended Day. If your child attends Extended Day, you must drop them off after 7:30 am and pick them up by 6 pm. If you arrive after 6 pm you will be charged a late fee (\$15 increments for every 15 minutes late). If you are late twice, your child may be suspended from the program.

If the Maryland Department of Health requires a closure of the pool due to COVID-19, GCS will comply, and camper swim times will be canceled until it is deemed safe to re-open. No refund or prorate will be issued due to any pool closures. Please refer to the full document provided on our website www.glenelg.org/summer for complete and up to date COVID-19 protocols and procedures for Summer in the Country 2022.

Pre-K-Grade 1 Campers

- Optional swim test

Your child may be tested to swim in the three- to five-foot area of the pool. In order to swim in the three- to five-foot area, a child must be able to swim the width of the pool without stopping. (If during the swim test your child seems to struggle or have difficulty, the lifeguard will require your child to remain in an area that is safe.)

Grades 2-10 Campers

Your child will be tested at the beginning of the session. The pool staff will determine your camper's ability and award them with a colored bracelet which designates where they are allowed to swim. **Please encourage your camper to wear this bracelet for the duration of the camp.** Campers will not be able to swim in the deeper sections of the pool without proper identification. In order to swim in the three- to five-foot area, a child must be able to swim the width of the pool without stopping. In order to swim in the five- to nine-foot area, campers must be able to swim the length of the pool without assistance and without stopping, and be able to tread water for one minute.
