WELCOME TO SUMMER IN THE COUNTRY

JUNE 15-JULY 24, 2026

GENERAL INFORMATION

Glenelg Country School has been offering quality summer programs for over 30 years. Located in central Howard County and situated on an idyllic 90-acre wooded campus, our Summer Programs provide children entering Pre-Kindergarten through grade 10 with a fun and educational experience in a relaxed and safe environment. Our camps offer a variety of activities and make use of our outdoor swimming pool, tennis courts, playing fields, shaded pathways, air conditioned classrooms, computer labs, athletic center and pond for scientific study.

TRADITIONAL DRAGON DAY CAMPS

Day camps are filled with a variety of indoor and outdoor activities including science and nature exploration, arts and crafts, swimming, music, physical education activities, and so much more.

COUNSELOR-IN-TRAINING

Counselor-in-Training offers opportunities for campers to work on leadership skills during the summer, by participating in hands-on activities, team-building, communication and problem solving.

ADVENTURE CAMPS

Adventure camps include daytime off-campus travel with exhilarating, exploratory activities.

Permission slips will go out before camp begins and must be returned by the start of camp for campers to remain enrolled.

SPECIALTY CAMPS

These camps offer academic enrichment in language arts, science, or math, or an emphasis in visual arts, foreign languages, music, drama, and a variety of other themes.

SPORT CAMPS

Sport camps provide an opportunity to have fun while working on athletic skills, technique, strategy, game experience, and sportsmanship.

Our Summer Programs are staffed by members of the Glenelg Country School faculty, supplemented by other qualified professionals, and assisted by junior counselors; all staff members undergo a criminal background check. The success of our camp programs is greatly facilitated by a camper-to-staff ratio of less than 10 to 1.

MISCELLANEOUS

The School values a positive and collaborative relationship with all families. If circumstances arise in which a parent or guardian's actions make it difficult for the School to maintain this constructive partnership or to support the goals of our program, the School reserves the right to discontinue a current registration or decline future registration. Glenelg Country School believes that a positive and constructive working relationship between the School and a camper's parents or guardians is essential to the fulfillment of the School's mission. The CFO or Head of School, in their sole and absolute discretion, may dismiss or deny enrollment of a camper for any reason they deem appropriate.

RELEASE OF LIABILITY

As a condition of registration in the Glenelg Country School summer programs, the parent(s) or legal guardian hereby agree(s) to release and discharge the School, its trustees, employees and agents, from and against any and all claims, actions, liability and expense, including attorneys' fees and court costs, in connection with personal injury and/or damage to property arising from or out of the camper's attendance or enrollment in, or out of the camper's participation in activities at or sponsored by the School unless such injury and/or damage is occasioned by the gross negligence of the School.

HEALTH AND MEDICAL INFORMATION

- The Camp Health Office is located in the Manor House. Glenelg Country School Summer in the Country will adhere to the school's Health Services Illness and Injury policy, which includes protocols for student illnesses and injuries,

Please review our Medication Policy to see if you need to submit either any kind of medication form. Medication will not be administered to a camper without a doctor's written order form that should also include the parent's signature. This includes prescription as well as prescribed over-the-counter medications. It is helpful to bring the medication and form to camp prior to your child's first day. Please call the Camp Office if you have any questions.

as well as parent/guardian communication responsibilities. Please review this policy on the Summer in the Country website, under Summer Camp Health Forms and Policies.

- Completed online health and medical information is required for each camper before registration will be confirmed.
- If necessary, submit immunization records. The Maryland Department of Health and Mental Hygiene Immunization Certificate, MDH Form 896, is required (in English) for campers entering Pre-Kindergarten or Kindergarten, or who reside outside the United States. Immunization documentation is a state requirement. Campers must have all required immunizations for their age, unless they have a medical or religious immunization exemption. For those who have a medical or religious exemption from immunization, this form still needs to be completed; specifically the bottom portion of the form, which requires either a parent or provider signature indicating a medical or religious exemption.
- If any medication is needed at camp, complete the appropriate form, which acts as the doctor's order to be able to give that medication at camp. Medication forms include the following:

- Medication Administration Form for daily medication or any as needed over-the-counter medication.
 - Allergy Anaphylaxis Medication Administration Authorization Form for EpiPens and antihistamines due to a severe allergy.
 - Asthma Action Plan and Medication Authorization Form for inhalers due to asthma.
 - Diabetic Medical Management Form for insulin due to diabetes.
 - Seizure Action Plan for any anti-seizure medication due to a seizure disorder.
- Medication can be dropped off to the Camp Health Office in the Manor House by appointment. Please call 410.531.7327 to schedule.
 - A physician's order must accompany ALL medication(s) to be administered at camp. Any medication must be brought to camp:
 1. In the labeled original container;
 2. By a parent;
 3. Checked-in by the camp nurse;
 4. By the first day the camper attends

CAMP BEHAVIOR EXPECTATIONS

Glenelg Country School camps foster respect for oneself, for others, and for property. It is expected that all campers are respectful, considerate, and polite to adults and one another at all times. Our goal is to create a safe and fun-filled experience for all campers. Disciplinary procedures are based upon these steps:

1. The child is gently reminded of camp expectations.
2. The child is separated from the problem situation.

3. The camp counselor will discuss consequences of further behavior, i.e., sitting out of an activity, with the child.
4. Repeated misbehavior will be handled by the camp director and/or a conversation with the
5. parents. Parent, child, and staff agree to a plan that will improve the child's behavior or the child may face the possibility of dismissal
6. from camp. Behavior which is deemed serious or endangers others could result in the parents being called immediately to remove the child from camp.

If a camper is dismissed from camp, they will not be eligible to return any subsequent camp seasons at Glenelg Country School

INCLEMENT WEATHER CLOSINGS

Glenelg Country School will send an email about cancellations, late openings, or early closings due to inclement weather. Parents who are concerned about conditions are free to pick up their child at any time. The pool Manager will determine when swimming conditions are unsafe. This may include situations such as runoff in the pool, thunderstorms, or mechanical issues. GCS will issue refunds for swim lessons if two or more sessions in a given week are cancelled. If thunder is heard within 30 minutes of carpool, we will move to our indoor carpool procedure. Campers will remain inside until there are been no thunder for 30 minutes. If it is simply raining without thunder, carpool will continue as normal.

WHAT SHOULD MY CHILD WEAR AND BRING?

The dress for the camp day is casual. A camp t-shirt will be distributed to each camper at the end of each session. Each group of campers is assigned a t-shirt color to help with easy identification to be worn at the camper's discretion. We suggest shorts, a t-shirt, and sneakers (not open-toed shoes, flip-flops, or clogs).

Please bring:

- Bathing suit, towel, and pool shoes (for walking to and from the pool).
- Water bottle clearly labeled with child's name.
- Sunscreen clearly labeled with child's name, if needed (Must have permission to reapply at camp—see Registration). Please apply before coming to camp.
- Backpack to transport swimming items and projects.
- Change of clothes in a plastic bag labeled with child's name to keep at camp for emergencies (Pre-K-Grade 1 only).

Please Label All Items! A Lost and Found bin will be located in the lobby of each building and at the pool.

DOES MY CHILD NEED TO BRING A LUNCH OR SNACKS?

- Lunch can be conveniently purchased through the website allaboutlunchdeli.com. Preordering lunch at the commencement of the camp and making changes to the order can be done until midnight the day before. Further details regarding lunch arrangements and menus will be provided closer to the scheduled start date of your registered campers.

- If you choose not to utilize lunch service, please send a lunch with your child. GCS is not a peanut-free environment. Lunches will not be refrigerated, and microwaves are not available, so please pack your camper's lunch accordingly.
- Each day campers will receive a peanut-free snack provided by the camp. If your child chooses, they may bring an alternative snack from home.

IS THERE BUS SERVICE?

Bus service will not be offered at this time.
